

STATUS OF DR. KOLLAB AT KERN MEDICAL

FOR IMMEDIATE RELEASE – Kern Medical notified Dr. Kollab on March 15th, 2019 that her position as a Post-Graduate-Year 1 resident in the Internal Medicine Residency Program has been withdrawn effective immediately.

Kern Medical has determined that Dr. Kollab breached her Match Participant Agreement when she submitted information that was false, misleading, and incomplete to Kern Medical during the interview and match process.

Kern Medical is dedicated to the health and wellbeing of our patients and expects the highest level of integrity and compassion from our staff. We look forward to welcoming our new class of residents and working with them to bring an exceptional level of care to all of our patients, regardless of race, religious background or social standing.
